

RESCUING AT RISK CATS AND DOGS IN SOUTHERN CALIFORNIA SINCE 1992

Fur Folk of the Month - Ruby - Sweetest Rottie Girl Ever!

For every pet cherished in a secure home, one hundred more roam homeless, hungry and frightened until they succumb to malnutrition, disease, speeding vehicles or worse fates. A lucky few are rescued by caring humans who work at what can be lonesome, stressful job.

C.A.R.E. was born in 1992 when a few such people came together to help homeless animals and their human rescuers.

Ruby is another "face of the desert" - abandoned in the desert by the humans she had loved and trusted. It is so heart-breaking - wonderful animals are left to die every place, every day by human kind - the ones these little beings had given all their trust and sweet hearts to.

She is a Rottweiler mix and as sweet as a dog can be. She is such a loving thing. Look at her happy, smiling face, radiating doggie love - she's licking her chops 'cause she wants to get that photographer just a little closer so she can shower him with poochie smooches!

Are you the one to show Ruby that not all humans betray? Could you be the one to give her a forever, loving home-sweet-home?

If you would like to take this little sweet heart into your loving home, please complete an application here [Dog Adoption Application](#) and email to us at adoptions@care4pets.org
