

RESCUING AT RISK CATS AND DOGS IN SOUTHERN CALIFORNIA SINCE 1992

FUR FOLK OF THE MONTH - CARMA AND CARLOS!

For every pet cherished in a secure home, one hundred more roam homeless, hungry and frightened until they succumb to malnutrition, disease, speeding vehicles or worse fates. A lucky few are rescued by caring humans who work at what can be lonesome, stressful job.

C.A.R.E. was born in 1992 when a few such people came together to help homeless animals and their human rescuers.

Carma and Carlos are a couple of little peas in a pod! A sister and bro (in that order) who were dropped outside our gates in a cage one night.

We estimate their ages at about 6 months now. They are a couple of adorable little pups!

Carma is a little bigger than Carlos and looks like a little dingo/fox 🐾. Carlos is a little shorter of leg. We guess they may be Chihuahua/Dachsy mixes and will probably weigh a max of 15-20 pounds.

Wouldn't you love to give one or both of these darlings their forever loving home? Fill out our dog adoption [application](#) and email back to us (open form with Adobe Acrobat)! We'll get right back to you about meeting these munchkins!

NOTE: Our Capital Campaign is still ongoing to raise funds to build two new buildings for our cats and dogs. Read about it [here](#), donate and pass the word on!
