

RESCUING AT RISK CATS AND DOGS IN SOUTHERN CALIFORNIA SINCE 1992

FUR FOLK OF THE MONTH - REINA!

For every pet cherished in a secure home, one hundred more roam homeless, hungry and frightened until they succumb to malnutrition, disease, speeding vehicles or worse fates. A lucky few are rescued by caring humans who work at what can be lonesome, stressful job.

C.A.R.E. was born in 1992 when a few such people came together to help homeless animals and their human rescuers.

Reina is one of our sweetest kitties. She's an adult, female, tuxedo cat with the most memorizing green eyes. Her distinguished black nose and distinct coloring gives her a Batman-esque look, which makes sense because she loves to perch up high. This beautiful girl is a lot of fun, she's incredibly affectionate and loving, and *loves* to play in boxes. Especially ones with holes that she can peek her head out of to say hello!

If you've looking to give an amazing cat a wonderful home, fill out our cat adoption application in the right column [here](#) and email back to us. We will get right back to you to set up a time for you to meet Miss Reina!
