

RESCUING AT RISK CATS AND DOGS IN SOUTHERN CALIFORNIA SINCE 1992

FUR FOLK OF THE MONTH - NURI, GURI & SIMONE!

For every pet cherished in a secure home, one hundred more roam homeless, hungry and frightened until they succumb to malnutrition, disease, speeding vehicles or worse fates. A lucky few are rescued by caring humans who work at what can be a lonesome, stressful job.

C.A.R.E. was born in 1992 when a few such people came together to help homeless animals and their human rescuers.

Nuri and her two little girls, Guri and Simone, were abandoned on some vacant land behind the Sanctuary behind a pile of brush. The staff didn't realize they were even there until they heard the puppies crying. They found an extremely frightened and guarding Nuri with 5 pups - 3 of whom were already dead of exposure.

Nuri is still very mistrustful and frightened. We are working to gain her trust and help her know she is safe, but it may take some time. She is a very unusual looking doggie with large up ears, a long muzzle and piercing brown eyes. We guesstimate maybe she is part English Bull Terrier (think "Spuds MacKenzie" doggie) which would account for her "striking" good looks 😊

Guri and Simone, however, are just a couple of happy puppies - growing every day. They are probably going to be a lot bigger than their mom!

If you would like to take this adorable girl or her children into your loving home, please complete an application here [Dog Adoption Application](#) and email to us at adoptions@care4pets.org
