Summer 2014

Summer 2014 in Southern California!

Sweet Tomy with August, the senior German Shepherd mix, who came to us from the North Central Animal Shelter. Doesn't August look great? Even better news is that there is no sign of the return of his cancerous leg mass which was surgically removed. We hope August will be with us for a long, long time. He is safe now, happy and loved, but we couldn't help or protect August or the 300+ dogs and cats that call C.A.R.E. home if wasn't for your generosity and friendship. *We and they need you today more than ever.*

Please help us so we can keep on helping the many wonderful souls in desperate need of our help and compassion!

CARE 1

Dear Supporters:

We are sure you are aware of the important role that C.A.R.E. plays in helping the homeless dogs and cats whose lives, otherwise, would either be miserable or not at all. **This important work is made possible almost exclusively by your generous support.**

C.A.R.E.'s goal this year is to raise enough funds to continue to provide the best care for our 300+ residents **AND** to be able to build 2 large buildings – a new cattery and kennel. *This will make the lives of our residents even better and enable us to save more of the thousands dumped/born on the streets every day.*

Even though our Capital Campaign has generated funds for our project, we still have a long way to go to reach the amount needed. Without the continued support of generous donors like you, we may not make it. In order for C.A.R.E. to continue making a difference and improve the lives of these wonderful souls, it is vital that this year's Capital Campaign be a success. **Can we count on you to help us make this happen?**

By making a tax deductible donation to our Capital Campaign, you'll directly contribute to the wellbeing of the **300+ cats and dogs who call C.A.R.E. home.** You will also help us save more of the thousands of homeless, abused and neglected cats and dogs who are struggling and hoping, day after day, that a hero comes along to rescue them from pain, sadness and neglect. **Are you the one...their hero...our hero?** *Together we can be their salvation, their freedom from harm.* Please help us so that we can keep on helping these little warriors who are in need of our aid and who will not survive without it! Donations to our Capital Campaign can be made online, using the PayPal link on our website at www.care4pets.org, by mail or via www.gofundme.com/care4pets on the internet.

Thank you, as always, for your generosity and kindness.

CARE 2

Please give today so we can keep the cats and dogs in our sanctuary safe and well cared for, and to save more cats and dogs at risk; their survival depends on us! **Our future, their future depends on your generosity and kindness! The animals in this issue and many more at the C.A.R.E. sanctuary are looking for homes of their own!**

White Feather, is an amazing, beautiful, loving senior cat.

Napping kitties in the “sun room” - not a care in the world, thanks to your generosity!

Guri and Simone—Nuri’s two little girls

Momma Doggie - Nuri

These three black beauties were rescued by the C.A.R.E. staff about a month ago - mom, Nuri, and her two baby girls, Guri and Simone. Nuri and her pups were abandoned on some vacant land behind the C.A.R.E. Sanctuary behind a pile of brush. The staff didn't realize they were even there until they heard the puppies crying. They found an extremely frightened and guarding Nuri with 5 pups - 3 of whom were already dead. Nuri is still very mistrustful and frightened. We are working to gain her trust and help her know she is safe, but it may take some time. She is a very unusual but beautiful looking doggie with large stand-up ears, a long muzzle and piercing brown eyes. Her surviving pups are now thriving and have probably tripled in size in a month. We guesstimate Nuri may be part English Bull Terrier (think Spuds McKenzie dog) and maybe black lab; not sure but she is an adorable dog. We think maybe the puppies are something similar but will probably be a lot bigger than momma. The pups and mom are hoping for a loving forever home(s); **could that be yours?**

Peaches with Roma, a longtime staff member. Roma has been at the C.A.R.E. Sanctuary from the very beginning. Thank you, Roma, for the great care you provide our “fur folk” and for loving them the way you do!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the truth - animals do matter!

He is adjusting well to his new home, playing with his toys, his new sis, Sylvia, and enjoying walks on the beach! **Please help us keep our other 300+ cats and dogs safe until their forever homes come along; we can do it but only with your generosity!**
