2. DOGS & CATS AT THE C.A.R.E. SANCTUARY
3. MEET SOME OF OUR NEW RESIDENTS

Dear Supporters:

First of all, I wanted to thank you for your faithful support. Over the years, C.A.R.E. has helped many homeless cats and dogs, and you are the ones who make that possible. We know you are with us in spirit every time we witness the marvelous transformation of our rescued animals. There are few greater joys than seeing a dog wag his tail for the first time, or listening to the contented purr of a rescued kitty, safe and happy, after a lifetime of misery. There is something magical when we see the relief in their eyes. Somehow they know that the bad times are behind them, and they can feel secure in the love and comfort that we will always give them. Every time we look into the eyes of our rescued animals, *we also see that behind every animal, there is a human who saved them. That person is you. We never forget the love and charity that you give to dogs and cats you have not even met.* Every donation contributes to the health and comfort of animals who badly need it. The heartwarming transformation of sick, starving and terrified cats and dogs into confident, trusting and healthy beings is made possible because you care about them. **For that we are forever grateful to you.**

Animals, whose lives have been neglected, abused and dumped like they don't matter; **well they matter to us and they matter to you.** They are made whole again through the generosity of people like you. Like Karma, Ella, Winston and many more at our sanctuary. But it wouldn't have been possible without generous people like you. With your support, C.A.R.E. will continue its mission - to provide shelter, medical care, and love; to find responsible forever homes for the adoptable animals entrusted in our care; to provide life time care for the unadoptable; to educate the community about respect and kindness to all creatures that we share this earth with.

WE HAVE SOME FANTASTIC NEWS TO SHARE! At last we are ready to begin construction of our new facility! All of the plans have been approved and the permits have been issued. It has been a long and complicated journey, but the hard part is behind us. Groundbreaking will begin next week. We will post photos on our Facebook page and hope you will follow our progress as the new buildings take shape <https://www.facebook.com/care4pets.org>. We can hardly wait until our rescued animals are able to enjoy their new living quarters. **Once again, thank you for your continued support, and know that Karma, Ella, Winston and many more cats and dogs would not be alive today were it not for you.**

Sincerely,

Maria Porter

Winston was saved by a rescue group located in San Diego. Winston came from the streets of Tijuana. He tested positive for leukemia, and the rescue group did not have a facility for a cat with this condition. The C.A.R.E. sanctuary has a separate area exclusively for leukemia cats, where there is no risk of transmitting the disease to other cats. We were glad to welcome little Winston to our sanctuary. Amazingly, we found a forever home for Winston. Unfortunately there are not many loving homes for leukemia cats, but they always have a safe place at C.A.R.E.. We take many of these sweet babies from many shelters and rescue groups, and we give them the best care possible while they are on this earth or we find them a loving home. Even though the lives of leukemia cats are often short, we make sure they have love and comfort every day they are with us.

Miss Ella
at the vet.

Miss Ella is a sweet senior—an angel in disguise—and a survivor from the high-kill South Los Angeles Animal Shelter. She was an owner surrender, left behind at the shelter because of her advanced age. She was scheduled to be euthanized, even though her medical problems are treatable. CARE rescued this sweet little angel and is getting her the veterinary care she needs. CARE is raising funds for her medical care and her upcoming surgeries. Ella was severely emaciated, has advanced dental disease and several growths on her back and chest that will be removed when she get her dental. She has been at the vet and full blood panel was done. As soon as she is strong enough and puts some weight on, she will have her dental and skin surgery done. Right now this sweet little girl is in a loving foster home receiving all the love and care she needs.

Please donate to help this amazing little girl. Please support a wonderful deserving dog with a heart of gold that is grateful for your generosity and support!!!

Karma is an incredibly deserving pit bull that we pulled from the Devore shelter. She was cowering in her kennel, sick, depressed, with many scars on her face and body that are evidence of being severely abused and neglected. She was on the euthanasia list for that day and came into the shelter from a hoarding case. Karma had kennel cough and was severely emaciated. This sweet beauty was at the vet's for weeks and receive the medical care she needed and deserved. Karma is a such sweet dog, LOVES everybody, people, cats and other dogs. This sweet girl made such an impression on C.A.R.E.'s vet that he and his family made the decision to adopt Karma. Today this sweet girl has a forever loving home. **We need your generosity and support so we can keep on helping and saving others like Karma!! We cannot do it without your HELP!!!**

Beautiful Samantha with her best human friend Emily.
Samantha is looking for a forever loving home!!!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!
