

Rescuing at Risk Dogs & Cats in Southern California since 1992

## Summer 2020 in Sunny California!

These beauties are Arabi (mother) Zazu (son) and Maya (daughter). These poor babies were abandoned right in front of our sanctuary. The babies are now 5 months old and the mother is a baby herself, she is only 1 1/2 years old. They are all very friendly, the babies are with everybody, unfortunately the mother is only with adults. They are available for forever loving homes. **Please donate to C.A.R.E. to HELP us save more innocent souls!**

Dear Supporters:

During these unprecedented times of suffering, uncertainty, fear and the loss of so many lives, our way of life has been affected in unimaginable ways including the world of animal rescue. **Our hearts and prayers go to everyone and especially to all who have lost loved ones.**

Even though the world as we know it has virtually come to a stop, **our mission of rescuing homeless dogs and cats never has.** We still rescue cats and dogs from the streets, give them a safe haven and the vet care they need and deserve.

Unfortunately, this crisis has affected our organization greatly. The monetary donations are drying up and the food donations for our 300 cats and dogs have ceased. We have to purchase it and often it has been very hard to find food in the high quantities that we need.

The purchase of cat and dog food is using a large chunk of our monetary resources, leaving less for running and caring for the "residents" of the C.A.R.E . sanctuary.

We need your help now more than ever; your generous donation will benefit our sanctuary animals in a big way. **We understand hard times are upon us all.** If you are in a position to donate, any amount given will go a long way towards helping our rescues to be safe and well cared for!

Thank you so very much for your generosity and friendship!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

This cute little senior is Joy. She was rescued by C.A.R.E. staff from the high desert near our sanctuary. She is very friendly, loves to get a lot of attention and gets jealous when she feels left out. She likes dogs and cats!! **Please donate to C.A.R.E. - no amount is too small everything HELPS.**
