2. SOME OF OUR RESCUED PETS YOU HAVE HELPED SAVE WITH YOUR DONATIONS

Dear Supporters:

After a very sad, lonely and tumultuous 2020, we are hoping and praying 2021 brings all of us new hope, health, kindness and opportunities. Our hearts and best wishes go especially to those who have lost so much and have faced so many challenges throughout the past year.

The work of animal rescuers is stressful, never ending and heartbreaking. It is very hard to see the abuse and abandonment of so many companion animals. But we pick up our broken hearts and keep on saving the ones in danger. Unfortunately, many pets have been abandoned and relinquished due to the pandemic. We try our best to save all the ones we can and give them a second chance for a safe and loving place until they find a loving home of their own or for life, if need be. Some good news is that many of our beautiful dogs and cats have found their forever-loving homes, even in these difficult times! Unfortunately, for each loving home found, so many other little ones are waiting to be safe. **Our work cannot continue without your HELP and GENEROSITY!**

The pandemic has strongly affected the economy and the hardship is far from over. Many charities will barely survive and/or will be closing their doors in 2021 as a direct result of the pandemic. But we still keep our eyes open for that small speck of light and hope on the horizon! **Please HELP us so we are not one of these statistics! So many beautiful cats and dogs depend on us with no other place to go.**

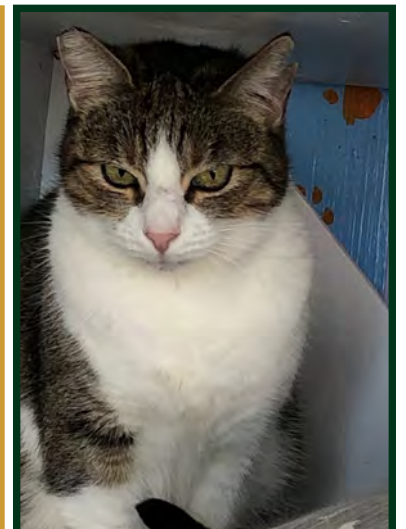

One of the many things I have learned in the past year is that life is so unpredictable. Unexpected things can happen (and will!) Please make plans for your beloved pets just in case!

We all at CARE hope you stay safe and well!

Thank you,

Maria Porter - President
Sanctuary Manager

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The CARE sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Please donate to CARE, ONLY with YOUR help we can HELP the innocents with a loving place to call HOME!!
