CARE 1

Dear Friends,

The past year and 1/2 has been very tough for all of us and even though the light at the end of the tunnel is getting brighter every day, we still have a long way to go to return to our "normal" lives.

During this crisis and as a nonprofit organization, we have/are facing many challenges - **our food donations and monetary donations for our rescued cats and dogs have drastically decreased!**

This spring so many unwanted pets have been born and left roaming in the desert to face a terrible fate. Through the years we have rescued many cats and dogs from the desert but now it seems the abandonment of unwanted pets is growing. We are trying to save all we can as space and resources permit but **we cannot do it alone and need your HELP more than EVER!**

Right now, many of us are going through financial hard times, but if you are in the position to help these poor innocent creatures, *please donate to CARE - no amount is too small - everything help!*

Our rescued dogs and cats say thank you **so much** to everyone who has helped them in the past and they are hoping you will help them **NOW!** And the humans, too, at CARE are incredibly thankful for your help as we continue working to HELP the innocent homelessness pets!

Thank you again!

*Maria Porter*

CARE 2

Please give today so we can keep the cats and dogs in our sanctuary safe and well cared for, and to save more cats and dogs at risk; their survival depends on us! **Our future, their future, depends on your generosity and kindness!** Some of the animals in this issue and many more at the CARE sanctuary are looking for homes of their own!

This sweet big boy is Shiloh. He is a senior and Unfortunately, with old age, health issues arise. He is on medications for his arthritis and liver conditions and is doing very well on them. He is now in a foster home (I am his foster mum). His human person sadly has crossed the rainbow bridge. Please remember to make arrangements for your beloved pets in case they out live you!

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The CARE sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Bingo is a 5 months old Labrador mix. He is one of the many cats and dogs we have rescued from the high desert. Bingo was rescued by a CARE staff member near our sanctuary. He is a very mellow boy, very friendly, good with other dogs and loves to get a lot of love from the staff and volunteers. He is looking for a forever loving home. **Please donate to CARE - no amount is too small - everything HELPS.**
