Dear Friends:

As we approach the festive season and reflect on another year gone by, we are reminded of the ongoing struggles faced by humankind and the countless abused, neglected, and abandoned animals that rely on CARE for their second chance at life. **With your unwavering compassion and support over the past 32 years, these beautiful souls have found the safety and care they so desperately deserve at our sanctuary.**

However, the challenges we face are immense, especially in light of recent natural disasters and economic hardships that have affected so many. We understand that times are tough, but even the smallest contributions can lead to monumental changes for our furry friends in need. **Together, as a community, we can ensure that CARE continues to be a loving home for all the animals under our care—and those yet to come. Your generosity is the heartbeat of our mission, and with your help, we can keep this vital work alive for many more years to come.**

As we gather with our loved ones to celebrate the warmth and joy of the holiday season, **let us not forget those who are truly in need - at-risk animals yearning for a safe haven and the forgotten humans who share their plight.**

This time of year, while we enjoy the comforts of home, many four-legged souls are left out in the cold, longing for a loving touch and a place to call their own. Your compassionate gift, no matter the size, can ignite hope and change lives, helping us to continue our mission for the past 32 years and beyond. **Together, let's create brighter tomorrows for both our furry friends and our community. Join us in spreading peace, joy, and goodwill this holiday season—because every act of kindness counts.**

Thank you for your unwavering support and love; we wish you and your family a magical holiday filled with warmth and compassion!

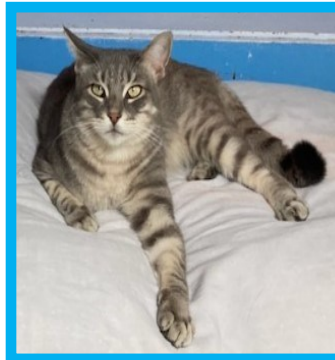

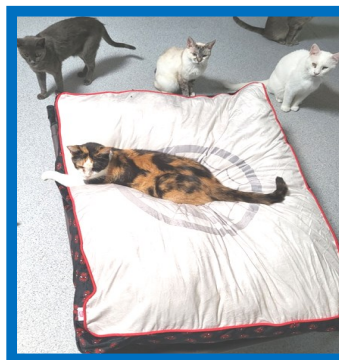

Happy Holidays, Merry Christmas, Happy Chanukah, Peace on Earth and Goodwill to All.

Our Best Wishes for 2025!

CARE 2

This adorable cutie is Peaches, she is about 6 months old. Peaches is very playful, like our dogs, is very friendly and is ready for her forever loving home. If you would like to meet Peaches or any other of our rescued, please let us know an appointment can be made to meet them at our sanctuary.

This adorable white fur baby is Caspar. He is ready for his forever home.

These beauties are White Feather and Felix. They are very loving and looking for forever homes.

Meet the adorable duo, Taser and Baby Girl, whose hearts are as big as their love for each other! These inseparable pals have recently faced the heartbreaking loss of their humans, but they're not alone. Thanks to caring friends, they found their way to CARE where they are being showered with love and support. Taser, the sweet shepherd, is currently battling some health challenges, but we're holding onto hope that with the right care, he'll bounce back stronger than ever. These two precious souls deserve a second chance at happiness, and together, we can make that happen!

Please don't forget about us, they need YOU, we need YOU!

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The CARE sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

This beauty is Summer and she a very good girl, loving and playful. Summer still looking for a forever loving home. If you are looking for love bug she is the one for you. She would be a great additional to your family.
