

Rescuing at Risk Dogs & Cats in Southern California since 1992

Spring 2025

Spring! The season of hope and renewal.

Oh, what a face! This cutie is Bo, an English bulldog. If you had/have one, you know they can be very independent, stubborn and highly food motivated. Bo is 1 year old and is ready for his forever loving home. Unfortunately, he needs to be the **ONLY** pet as he just wants his person to love him only. He is very people friendly but doesn't care for other pets. If you have experience with English bulldogs and would like to adopt Bo, please complete the adoption application at www.care4pets.org. After we have received the application, a visit can be arranged to meet him at our sanctuary to see if he would be a good match for your family!

CARE 1

Dear Friends:

Our hearts go out to everyone impacted by the devastating hurricanes, to our fellow Angelinos devastated by the Southern California wildfires and to all who have lost their homes. Our hearts are shattered by the loss of human and animal lives. We are hoping and praying their journey of rebuilding their lives begins now and that they can start making new and happy memories in their new homes.

We are a rescue group/sanctuary and we have saved and improved thousands of lives in the past 33 years. Natural disasters like hurricanes, floods and wildfires remind us that our work in saving and finding dogs and cats loving homes has a long way to go. The more dogs and cats we can save, the city and county shelters will be less overwhelmed and they can support the care of dogs and cats displaced during these natural events. We try our best to help when finance and space allow.

Even though we were one of the lucky ones and the Los Angeles wildfires did not affect CARE physically, they **are going to affect us for years to come financially**. Many of our wonderful supporters have lost everything and we understand they cannot help us right now. We are sending to all of them good KARMA, love and gratitude for their support through the years.

In these challenging times, we are hoping if you are in the position to help our rescued dogs and cats, please send a gift of love. **We cannot survive without YOUR generosity and kindness**. For some of our rescued pets, the CARE sanctuary is the only loving and safe home they've ever known. **Please HELP us HELP them**, we need you now more than ever.

Thank you,

Maria Porter - President/Sanctuary Manager

Today with a heavy hearts, we had to say goodbye to our little senior Snow White. She was so sweet and loving. We miss her. Until we meet again sweet angel. We want to send special thanks to Jody for sponsoring this little soul through the years.

CARE 3

Cat/Canine Assistance, Referral & Education
P. O. Box 56631, Sherman Oaks, CA 91413
www.care4pets.org

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The CARE sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Please donate to CARE, ONLY with YOUR help we can HELP the innocents with a loving place to call HOME!!

This beauty is Arabi. She is still looking for her special forever home!
